Governor's Appointments

Each Boundary Review Board has a Board position to be appointed by the Governor that expires on January 31, 2011. The Governor's policy is to re-appoint members until they have served two full terms. If you have a member who is interested in being reappointed to the Boundary Review Board by the Governor, please have them apply on line <http://www.governor.wa.gov/boards/application/application.asp>. In addition, you may want to write a letter to the Governor recommending re-appointment. If you will be recruiting new members, please refer them to the on-line application also.

Stacey Tichenor is the staff person in the Governor's Office handling appointments. If you have any questions, please do not hesitate to contact her at 360-902-4109 or Stacey.tichenor@gov.wa.gov.
