

2006 Annual Conference

October 11-13, 2006
Edmonds, WA

Breathtaking views of the Olympic Mountains and snow-capped Mount Baker...one of the most picturesque small towns in Washington...and a stimulating conference with sessions focused on what you need to know to be an effective Boundary Review Board member or staff...all this and more will be yours at the 2006 Annual Conference of the State Association of Boundary Review Boards.

The conference begins with an opening reception at 5 pm on Wednesday to warm us up for the in-depth work sessions all day on Thursday. Session topics include city annexation issues, attorney Q & A, property rights, and ethics for Boards. Thursday evening dinner includes a scenic ferry ride to Kingston and a short walk to the Main Street Ale House, an historic restaurant with gourmet cuisine. Friday morning the annual business meeting of the State Association will be held including the 2006-2007 legislative report.
